

### From Catherine Staziker, our Curate

At St John's have been deeply moved by the situation in Syria, particularly the plight of innocent children. It is becoming one of the world's worst humanitarian crises. Our Lent Appeal (joint with Holy Trinity) is for Hand in Hand for Syria and we hope you will consider bringing something to church or donating money to this. As we pray for Syria in Lent, we remember other areas of the world where people suffer from Man's inhumanity Man, as well as places struck by natural disasters. We pray that their Easters too might be about resurrection and rejoicing and that they might be allowed to live life in all its fullness. I wish you a Holy Lent and Happy and Blessed Easter.

We support the Grace Food Bank – please leave donations in the box at the back of the church or in the porch
